<b>2</b>	Do you have confirmed COVID-19 <b>OR</b> have you had close contact with a confirmed case?	YES	NO
<b>3</b>	Do you have any of these symptoms?	YES	NO
	*sore throat?                      *hoarse voice?                      *nausea/vomiting? *difficulty swallowing?              *pink eye?                              *chills? *not feeling well?                      *headaches?                            *diarrhea? *Unexplained fatigue?                *abdominal pain?                      *decrease OR loss of sense of taste or smell? *runny nose/ sneezing without other known cause? *nasal congestion without other known cause?		
<b>5</b>	Answer this question <b>only IF you are 70 years old or older</b> , Are you experiencing any delirium (confusion), unexplained or increased number of falls, acute functional decline or worsening of chronic conditions?	YES	NO

If you have circled **YES** to any of the above questions, you **CANNOT** come in the office. Please call us at 519-426-3123 to cancel your appointment today and reschedule for when you are well.

**AND**

Call Telehealth Ontario (1-886-797-0000) or your local Health Unit and tell them you have screened positive for COVID-19. A positive screening does not automatically mean that you have COVID - 19. A positive screening means that you need further direction on if you need to be tested.

**If you have answered NO to all questions** and accept that Simcoe Optometric Clinic cannot guarantee that you will not be exposed to COVID-19 or other illness by attending your appointment, please sign and date. If you are not willing to accept the risk at this time, we would be happy to reschedule you for a later date.

I understand that Simcoe Optometric Clinic is compliant with the guidelines issued by the Government of Canada, Ontario Ministry of Health, our local Public Health Unit and the College of Optometrists of Ontario.
